

CITYGLIDE

THE CITYGLIDE IS ALL-NEW FOR 2019

The CityGlide has been totally revamped for a better ride and looks to match. We redesigned this big wheel scooter from the ground up, integrating a high-performing custom folding mechanism, beautiful new wheel, deck and fork designs, and a quick-stopping nylon brake. The CityGlide gets all new colors and graphics for 2019, with a variety of eye-catching combinations available. Awesome look. Awesome ride.
